SOS Morse code signal chart

Three short, three long, three short

SOS

3 dots / 3 dashes / 3 dots

One continuous signal. One-unit gaps between every mark.

A dot lasts 1 unit. A dash lasts 3 units.

Do not add letter gaps inside the distress signal.

Ordinary text “SOS” has letter gaps; this signal does not.

A learning reference, not a way to contact emergency services.

In an emergency, use available local emergency channels.
